Principal's Message

Welcome to 2025 - The Year of Belonging at Picnic Creek SS.

So much has happened since the previous Community Update. Most recently we experienced the weather event that was Tropical Cyclone Alfred, then downgraded to a tropical low after crossing the coast. I'm pleased to report that whilst our school fared well in the actual event we have found some water issues etc which have resulted in classroom juggling.

Thank you to all staff and community members for your ongoing support whilst we navigated the closure and then staggered reopening of our school. Your support is greatly appreciated. Please continue to stay safe.

Yesterday we held the Annual General Meeting of our Parents and Citizens Association. At this meeting our new executive team were voted in ready to continue the wonderful work that has been done in the past. Huge thank you to our outgoing executive team.
